

Name of Item/ Equipments

ITEM No 2 :DESIGN, MANUFACTURE, INSPECTION, TESTING, PACKING, TRANSPORTATION, UNLOADING AND DELIVERY OF CABINET DYEING MACHINES			
Item No 2.1: Cabinet Hank Dyeing Machine – 25 Kg capacity – 1 No. Supply of 25 kg cabinet dyeing machine, 25 kg capacity, semi automatic includes turbo type reversing main pump, injector pump, electric motors, addition tank, control panel, pipelines, microprocessor controller, hank carrier, steam control valves, sample window and heating control accessories. Liquor ratio – 1:18; Motor HP - 2HP; Main Shaft - 30 mm; Max. Temperature - 100° C; Material Grade – Stainless Steel 304 Auto reset timers for automatic flow reversal Specifications of sheet:			
Bottom sheets	2.5 mm	Top Roof sheets	1.2 mm
Side bottom sheets	2.5 mm	Dyes tank	1.6 mm
Door sheets	1.6 mm	Back sheets	1.6 mm
Side sheets	1.6 mm		
a			
Item No 2.2: Supply of 50 kg cabinet dyeing machine, 50 kg capacity, semi automatic includes turbo type reversing main pump, injector pump, electric motors, addition tank, control panel, pipelines, microprocessor controller, hank carrier, steam control valves, sample window and heating control accessories. Liquor ratio – 1:17; Motor HP - 2HP; Main Shaft - 30 mm; Max. Temperature - 100° C; Material Grade – Stainless Steel 304 Auto reset timers for automatic flow reversal Specifications of sheet:			
Bottom sheets	2.5 mm	Top Roof sheets	1.2 mm
Side bottom sheets	2.5 mm	Dyes tank	1.6 mm
Door sheets	1.6 mm	Back sheets	1.6 mm
Side sheets	1.6 mm		
a			

Schedule I (B)

Item No 2.3: Supply of 100 kg cabinet dyeing machine, 100 kg capacity, semi automatic includes turbo type reversing main pump, injector pump, electric motors, addition tank, control panel, pipelines, microprocessor controller, hank carrier, steam control valves, sample window and heating control accessories.
Liquor ratio – 1:15; Motor HP - 3HP; Main Shaft - 35 mm; Max. Temperature - 100° C; Material Grade – Stainless Steel 304
Auto reset timers for automatic flow reversal
Specifications of sheet:

Bottom sheets	3 mm	Top Roof sheets	1.6 mm
Side bottom sheets	3 mm	Dyes tank	1.6 mm
Door sheets	2 mm	Back sheets	2 mm
Side sheets	1.6 mm		

Schedule II (B)

**Financial bid
Item No. 2- Bill of quantity for supply of Cabinet Dyeing**

Item No	The specification offered by the bidder	Qty	Price / unit			Packing & Forward	Erection & Commission	Freight charges	Other charges	Total price at F.O.R. Destination
			Basic (ex-factory)	Excise Duty	Sales Tax					
2.1	Cabinet Hank Dyeing Machine – 25 Kg capacity	2 Nos								
2.2	Cabinet Hank Dyeing Machine – 50 Kg capacity	2 Nos								
2.3	Cabinet Hank Dyeing Machine – 100 Kg capacity	1 No								

Signature and rubberstamp of bidder	SCHEDULE - I & II (B)	Page 3 of 3
